## How to use this chart:

Day 1: Ask the children what they see on the chart?

- Talk about what they can see in pairs
- Children tell teacher what they see on the chart. She writes the words on the board.
- Teacher: We can read! Use your pointer power. Get out your pointers! Point at the first letter. Let's point and say the name of the letter, then the sound the letter makes.
- Then we use our picture power and say the name of the picture: e.g. Ay, ay. A, a: apple!
- Chrissie: Do we say anything about capital and lower case letters here?

**Every day, we do Sound Power warm ups!**

**We go through the chart as above.**

**Week Three, you can start to vary it.**
