Sunrise Readers Book 1 Friends – Ways to play Word dice games.

This game may be played by individuals, in pairs or in groups of up to six.

Each word dice is accompanied by two relevant word cards: SEE THE INSTRUCTION VIDEO that is available on this link: https://www.youtube.com/watch?v=4W_lxhgG5_k&t=322s

- 1 Orange dice – picture/word cards on pages 1 & 2.
- 2 Yellow dice – word cards on pages 2 & 3
- 3 Blue dice - words cards on pages 4 & 5
- 4 Green dice - word cards on pages 6 & 7
- 5 Pink dice - word card on page 8

Game 1 (Simple):

- Each player throws the dice. She makes sure the word is the correct way up, and reads it aloud twice. She then places the dice on the matching word on the relevant word- card. If she is correct, all the players clap and cheer.

Game 2: Using the relevant short sentence card:

- Each player throws the dice and reads the word aloud. He then has to find the short sentence on the sentence card that contains that word. He reads the short sentence aloud and places the dice on that square. If he is correct, all the players clap and cheer.

Game 3: Using the word dice and the relevant picture/word card that goes with it, the player throws the dice. He reads the name, and places the dice on the correct word on the word card. He then has to think of 2 (or 3?) things to say about that character. E.g. Chipu is a girl. She is Tatenda's sister. She has a baby doll. Chipu likes dinosaurs. Etc. OR, all the children in the group can think of one fact about the character.

Game 4: Using the word dice, the relevant sentence word card and Wordlist small flashcards from Book 1:

In advance: Print and cut out the small flashcards. Put the flashcards relevant to each Dice Game Word Card into an envelope to accompany the dice and the word card.

1. The players set out the small flashcards, reading each word out loud as they set it out.
2. A player throws the dice. Reads the word aloud.
3. The player finds that word on the relevant Dice Game sentence word card.
4. He/ she reads that sentence aloud.
5. He/she then builds that sentence using the small flashcards in the envelope.
