

Sunrise Readers Book 7

Fun and Games

Flashcards:

Here are three sets of flashcards containing the words introduced in Sunrise Readers Book Six:

- I Large flashcards to be used for whole class sessions. (Or in groups).
- iii Medium flashcards to be used in groups, or pairs, or for games.
- li Small flashcards to be used in groups, or for games, or to be taken home in a soap box for homework review.

Many of these are **sight** words, but some are simple cvc words that can be sounded out once the learners have learned the sounds that the letters make. (Teachers will be introducing letters and their sounds systematically whilst also introducing sight words). By the time a learner is reading Book Seven, she may be able to sound the following Book Seven words out for herself:

(See the demonstration clip):

<i>Sound It out:</i>	<i>Say the word:</i>	<i>Make a sentence:</i>
--------------------------	--------------------------	-------------------------

b-u-n - bun	I like eating buns .
-------------	-----------------------------

t-o-p - top.	The cup is on top of the table.
--------------	--

Learners who know their sounds may enjoy attempting to sound out these 4 letter words from Book 7:

f-r-o-m - from

s-i-n-g - sing

s-o-n-g - song

t-e-n-t - tent

c-a-m-p - camp

z-e-b-r-a -

Teachers may now prefer to send sight words home to be reviewed in *lists* rather than as flashcards. (This is mainly for convenience sake, as the flashcards have multiple benefits including being reviewed in games.)

These lists include the sight words for every story. They are introduced and reviewed before learners begin to read the book.
