

Sunrise Readers Book 8

Fun Days at School

Complete Set of Large Flashcards/ Wordcards for the Words introduced in this book (See back cover).

- 1 Print the flashcards and cut them out.
 - 2 Paste them onto card:
 - lower case words in the front, and
 - the same word starting with a capital letter on the back of the card.
 - 3 Laminate for durability.
 - 4 Store each book's wordlist/ flashcards in a separate box (a shoe box is ideal)
 - 5 Please note – past tense is introduced in Book 5.
For your interest, past tense words are recorded in blue.
- N.B. We have supplied each word in 2 forms – starting with i) lower case and ii) capital letters. **A WORD LOOKS DIFFERENT TO A NEW LEARNER WHEN IT HAS A CAPITAL LETTER!**
 - Many teachers prefer to introduce the words using just the lower case letters, unless it's a proper noun: Grandfather, Joseph, Noah etc. However, others flip the cards to expose the children to both.
- Refer to the Teacher's Manual and our blogs and vlogs on <https://sunrisereaders.wordpress.com/> for guidance and ideas for introducing vocabulary and reinforcing with fun activities and games.
