Wordlists for Home Review

First, click on the links on the relevant blog to download and print two sets of flashcards containing the words introduced in Sunrise Readers Book Six:

- I Large flashcards to be used for whole class sessions. (Or in groups).
- li Small flashcards to be used in groups, or for games, or to be taken home in a soap box for homework review.

Many of these are **sight** words, but some are simple cvc words that can be sounded out once the learners have learned the sounds that the letters make. (Teachers will be introducing letters and their sounds systematically whilst also introducing sight words). By the time a learner is reading Book Six, she may be able to sound the following Book Six words out for herself:

(See the demonstration clip):

Sound It out:	Say the word:	Make a sentence:
l-o-t	- lot	
c-a-p	- cap.	I wear a cap on my head.
b-u-t	- but.	I want a dog but my Mum says "No!"
h-a-t	- hat.	We must wear hats outside.
g-e-t	- get	etc.
h-a-d	- had	
m-e-t	- met	
s-i-x	- six	
m-i-x	- mix	

Story Wordlists:

Teachers may now prefer to send sight words home to be reviewed in **lists** rather than as flashcards. (This is mainly for convenience sake, as the flashcards have multiple benefits including being reviewed in games.)

These lists include the sight words for every story. They are introduced and reviewed before learners begin to read the book.
